**WALKER RIVER IRRIGATION DISTRICT  
BOARD OF DIRECTORS REGULAR MEETING  
YERINGTON, NEVADA**

**August 7, 2023  
Monday 10:00 A.M.**

**NOTICE OF MEETING  
of the Board of Directors of Walker River Irrigation District**

The Board of Directors of the Walker River Irrigation District will conduct a public meeting on Monday, August 7, 2023, beginning at 10:00 A.M. in the Board meeting room at 410 N. Main Street, Yerington, Nevada.

**THIS MEETING WILL BE HELD IN PERSON AND HOSTED VIA ZOOM.**

The public may attend in person and provide public comment and also comment on Agenda items by emailing comments to [jessica@wrid.us](mailto:jessica@wrid.us). Comments received by email prior to 4:00 P.M. on August 4, 2023, will be entered into the record. Comments may also be submitted during the meeting and by participating in the Joint Zoom Meeting using the information below.

The District appreciates the public's patience and understanding during this difficult and challenging time.

## NOTICE

Agenda items may be taken out of order.

The Board may remove or delay discussion relating to an agenda item at any time.

The Board may combine two or more agenda items for consideration.

The meeting may be continued as deemed necessary.

Requests for supporting material provided to members of the Board, if any, can be provided electronically by a request to [jessica@wrid.us](mailto:jessica@wrid.us). Such supporting material, if any, will be posted on the Walker River Irrigation District website.

## OFFICIAL AGENDA

Action may be taken only on those items denoted **“For possible action.”**

### 1. Public Comment

Any member of the public may address and ask questions of the Board relating to any matter within the Board’s jurisdiction. Public comments need not be related to any item on the Agenda. Action will not be taken on any matter raised by the public until the matter is specifically included on an agenda as an item upon which action will be taken.

### 2. Roll Call and Determination of Quorum

### 3. Consideration of Minutes of July 7, 2023, Regular meeting. **(For possible action)**

### 4. Water Master’s report

5. Staff Reports including, but not limited to, those items listed:
  - A. Treasurer's Report
  - B. Consideration of Bills and Payroll for payment. **(For possible action)**
  - C. Manager's Report
  - D. Legal Counsel's Report
  - E. Review and Approval of Monthly Storage Transfers. **(For possible action)**
  - F. Storage Water Leasing Program Update
6. Update from the Division of Water Resources regarding groundwater pumping and upcoming fieldwork schedules.
7. Update by Walker Basin Conservancy on activities related to the Walker Basin Restoration Program, including Acquisitions and Conservation and Stewardship Activities.
8. Director Comments
9. Public Comment

Any member of the public may address and ask questions of the Board relating to any matter within the Board's jurisdiction. Public comments need not be related to any item on the Agenda. Action will not be taken on any matter raised by the public until the matter is specifically included on an agenda as an item upon which action will be taken.
10. Adjournment

**WALKER RIVER IRRIGATION DISTRICT  
BOARD OF DIRECTORS**

Notice is hereby given that on August 7, 2023, the Board of Directors of the Walker River Irrigation District will conduct a meeting. The meeting will commence at 10:00 A.M. at the Walker River Irrigation District Office at 410 N. Main Street, Yerington, Nevada. The Official Agenda for that meeting is attached hereto and made a part of this Notice.

Date: July 31, 2023

ROBERT C. BRYAN  
Manager

I, Robert C. Bryan, WRID Manager, do hereby certify that the foregoing Agenda was duly posted on July 31, 2023, at the following locations:

Walker River Irrigation District Office, 410 N. Main Street, Yerington, Nevada  
Lyon County Courthouse, Main Street, Yerington, Nevada  
U.S. Post Office Bulletin Board, Main Street, Yerington, Nevada  
U.S. Post Office Bulletin Board, Highway 208, Smith, Nevada  
U.S. Post Office Bulletin Board, Highway 208, Wellington, Nevada  
Walker River Irrigation District's website (<http://www.wrid.us>)  
The Nevada Public Notice website pursuant to NRS 232.2175 (<https://notice.nv.gov>)

  
\_\_\_\_\_  
ROBERT C. BRYAN  
Manager

A meeting of the Walker River Irrigation District (WRID) Board of Directors was held on July 7, 2023. The meeting was called to order at 10:00 AM at the District Board Room, 410 N. Main St, Yerington, Nevada by President SNYDER.

**Present:**

Jim SNYDER	President
Richard NUTI	Treasurer
David GIORGI	Director
Dennis ACCIARI	Director
Robert BRYAN	General Manager, via Zoom
Jessica HALTERMAN	Secretary
Sandy NEVILLE	Water Rights Specialist
Gordon DePAOLI	Legal Counsel, via Zoom

**Public Present:**

Joanne Sarkisian, USBWC	Carlie Henneman, WBC	Kat Dow, WBC
AJ Jensby, NDWR	Jodi Roan, NDWR	Bill Kling, SV/MVCD
Ed Ryan, SV/MVCD		

**Public Present via Zoom:**

Wes Walker, MBK Engineers	Dave Hockaday, LCBOCC	Shawn Stavang
John Peters, Mono County	Jeff Freeman, NDOT	

**1. Public Comment**

None presented.

**2. Roll Call**

All 5 board members were present.

**3. Consideration of Minutes of the June 7, 2023 Regular Meeting**

Director GIORGI made a motion to approve the minutes; Director ACCIARI offered a second. The vote was called for and passed.

**4. Water Master's Report**

Joanne SARKISIAN reported that the reservoirs are continuing to store water. There was a change at the diversion to allow more water to go into the reservoir. The release at Topaz was 997cfs and Bridgeport release was 920cfs. Joanne was delivering 700cfs systemwide. Bridgeport Reservoir was at 56% capacity and Topaz was at 66% capacity. The current flow at the Snyder Bridge was 2200cfs. President SNYDER asked we were past the peak; Joanne stated yes.

**6. Staff Reports:**

**A. Treasurer's Report**

Treasurer NUTI reported as of June 30, 2023:

Cash in Checking	\$ 87,954.00
Cash in Money Market	\$ 625,701.90
Cash in CDs	<u>\$ 757,568.24</u>
Total	\$1,471,224.14

**B. Consideration of Bills and Payroll for payment**  
**June 2023 Bills & Payroll**

Paycor, Inc.- Payroll & Taxes	EFT	06/29/2023	\$ 43,940.44
Spectrum	EFT	06/29/2023	\$ 232.50
<b>Total Bills &amp; Payroll:</b>			<b>\$ 275,387.25</b>

President SNYDER asked if the Pape bill was for the rental machines; Secretary HALTERMAN confirmed.

Vice President MASINI made a motion to approve the bills; Director GIORGI offered a second. The vote was called for and passed.

### C. Manager's Report

GM BRYAN reported Topaz is at 39,430 acre-feet (66%) and Bridgeport is at 23,790 acre-feet (56%). The reservoirs are starting to store at a higher rate based on projections from California Nevada River Forecast Center & National Weather Service. From what the experts are saying, it would take quite a bevy of energy to kick up any further issues to where the District could not offset the issue with the remaining pool levels and releases. There will be an uptick in flows and the river will be running at elevated level into August. There is still 89 inches of snow and 56.3 inches of water at Leavitt. The April-July forecast is misleading because of the amount of water to come down after July. Based on operation plans, it is anticipated that both reservoirs should be near full by July 24-27<sup>th</sup>. The District will operate in a way to maintain them full as long as possible. As the decree slows down in August, the demand for storage water will increase and there may be a dip in the pool levels. Once the flood threat is completely mitigated, GM BRYAN will reach

out to State Engineer and advise that flood mitigation water is no longer needed. Once the decision is made, all ditch and river riders will be notified.

GM BRYAN provided a list of the USGS gages in the packet. Since March 1<sup>st</sup>, 370,400 acre-feet of water has been sent to Walker Lake. The Lake has risen 13.7 vertical feet and the amount of water sent has surpassed the 2017 amount by 22,700 acre-feet. More water will be sent under the current conditions and the water leasing program will send another 25,000 acre-feet later this year.

GM BRYAN provided a legislative update on water bills. If there are any questions or the bill needs to be printed, please contact him.

The Shop crew is continuing to assist Lyon County in restabilizing areas of concern. They are also performing scheduled repairs and maintenance on the drains, river, and ditches. Staff is compiling a list of areas of high concern or infrastructure that was damaged by the Spring Thaw.

GM BRYAN advised that staff is continuing to have weekly meetings with Lyon County Emergency Manage, MBK, National Weather Service, and the California Nevada River Forecast Center on current and predicted weather conditions and operations. The meetings will continue until the flows decrease and the need for weekly meetings is no longer.

In regard to the flood mitigation or repair reimbursements, staff are meeting with FEMA representatives to discuss what is needed. There is no guarantee that the District will receive cost assistance, but staff will continue to meet with them and provide information as needed.

On July 10<sup>th</sup> at 3:30pm, JJ Goicoechea with the Department of Agriculture will be at Lucy Snyder's to discuss the spring thaw flood issues. GM BRYAN is not certain what the discussion will entail, but the Department of Ag has offered to assist local farms and growers impacted by the high flows. GM BRYAN will attend the meeting and will give an update at the next meeting.

**D. Legal Counsel's Report**

Counsel DePAOLI advised that the California Department of Transportation is going to begin doing emergency repair work on Highway 395 in the vicinity of Topaz on Monday morning. GM BRYAN and Counsel DePAOLI have been working with CalTrans and their attorneys. They want a right-of-entry agreement from the District because they are going to be taking 1.1 acres of the District's parcel in the vicinity of the problem. Rather than having to go to court to get entry that way, they wanted a right-of-way entry agreement. They have agreed to have the District on the contactor's liability insurance. CalTrans should be sending a right-of-entry agreement in the form of a letter to Counsel DePAOLI but will come back with a purchase proposal for the 1.1 acres at some time.

Director GIORGI asked if CalTrans provided a project plan; Counsel DePAOLI stated they sent something over that looks like they are going to move back toward the hill because of the large crack on the eastern edge of the roadway. Beyond that, it is unknown what they are going to do. The contract is fairly large at 8.45 million dollars. Mono County Representative PETERS stated they are going to straighten out that section of highway for a mile. They are not going to have a hard closure on the road and traffic will be controlled with lights and other measures. The contractor hopes to be completed by October but it is a huge project. Director GIORGI asked why the project was not done when the other part of the road was being worked on; Mr. PETERS stated there are a lot of theories as to why what failed, failed.

**E. Review and Approval of Monthly Storage Transfers**

Director GIORGI made a motion to approve the storage transfers; Treasurer NUTI offered a second. The vote was called for and passed.

**F. Storage Water Leasing Program Update**

Wes WALKER reported that the program is moving forward. USGS, Walker River Paiute Tribe, Walker Basin Conservancy, and the other agencies have completed the plan of release. The releases are planned to begin at both reservoirs in mid-August. There are constraints on how much can be released at times, but the releases should continue through mid-October. The maximum 25,000 acre-feet of water has been enrolled with approximately 11,000 acre-feet from Bridgeport and approximately 14,000 acre-feet from Topaz. On the regulation side, the approval from California has been obtained, the release plan will be filed next week and then there will be a 30 day review period. The Walker River Court entered the order to modify the decree this week, the temporary permits will be submitted to the State Engineer within a week, and everything is on track for a start date in August.

**7. Update from the Division of Water Resources regarding groundwater pumping and upcoming fieldwork schedules.**

AJ JENSBY reported that he will be out of the office on paternity leave starting next Wednesday. He requested that meter readings still be submitted monthly even if the wells are not being used. Jodi Roan has been hired in AJ's previous position and will be doing the field work.

**8. Update by the Walker River Conservancy on activities related to the Walker Basin Restoration Program, including Acquisitions and Conservation and Stewardship Activities.**

Carlie HENNEMAN reported that Walker Lake has risen over 13 vertical feet which has surpassed the amount from 2017 through 2019. The level is at the 2013 pre-drought level. The Conservancy has been doing educational programs in the schools and Boys & Girls Club. Field trips have been to East Walker and throughout Mason Valley to talk about the basin.

9. **Annual review on the performance of the Walker River Irrigation District General Manager Robert C. Bryan and consideration of possible adjustment in compensation.** Counsel DePAOLI stated he sent a summary of the evaluation to all the Board members but would provide a summary for the meeting. The ratings were based on the following scale: 5= excellent, performs exceptionally; 4= good, performs adequately; 3= satisfactory, meets expectations; 2= fair, performs unsatisfactorily and requires supervision; and 1= unsatisfactory, fails to perform. GM BRYAN was rated as follows:
- Job Knowledge: 5; continues to excel in all areas
  - Interactions & Communications: 4.8; great communication skills, brings stakeholders together
  - Decision Making: 5; no comments
  - Planning & Organization: 4.8; well organized, plans and multi-tasks well
  - Public Relations: 5; always prepared, is respected in community
  - Work Environment & Safety: 4.8; no comments
  - Overall Performance: 5; no comments
  - o Area of Strength: dedicated to his job, consistent
  - o Area of Improvement: none listed
  - o Goals: none listed
  - o Salary Increase: range from 3-7%, average 5.25%, recommended effective date was May 2, 2023.

Treasurer NUTI stated GM BRYAN is doing a good job; all members were in agreeance especially in tough circumstances. President SNYDER recommended a 10% salary increase for one more year then bring to single digits next year. Director ACCIARI stated GM BRYAN worked a lot with Lyon County and Peri & Sons and basically saved the City of Yerington. The community is unaware of the work put in to keeping the town from flooding.

Director GIORGI made a motion to increase the GM salary by 10%; Treasurer NUTI offered a second. The vote was called for and passed.

#### **Director Comments**

Treasurer NUTI stated he is glad Smith Valley is steeper and the water flows through. Director ACCIARI stated GM BRYAN has a good crew that works together. Vice President MASINI recommended that once the incident is over GM BRYAN's crew need to be taken care of. There were staff in equipment that had never being in equipment before. Vice President MASINI recommended looking at how many hours the employees worked and doing something for them. President SNYDER agreed.

10. **Public Comment**  
None presented.

11. **Adjournment**  
Vice President MASINI made a motion to adjourn; Director ACCIARI offered a second. The vote was called for and passed. The meeting adjourned at 10:38am.

Re: Topic that will be brought up in the Manager's Report on August 7, 2023

WRID Board Members:

Nevada Public Employee Retirement System (PERS) is in the process of changing reporting platforms and policies/procedures to accommodate the change. Prior to the platform change, WRID was able to report employee wages for employees who were both salary and hourly (salaried ditch riders who were also hourly temporary staff), but the new platform only allows for one or the other pay class. To comply with the new reporting requirements, WRID will need to decide how to address the issue of compensating current and potential future employees. I have provided some options below:

1. Can change the employee to a year-round salary:
  - a. Employees will receive a monthly salary that can differ between irrigation season and the off-season, but it must stay the same each month during whichever season it is (i.e. March-October monthly salary must be the same each month, November-February monthly salary can be different from irrigation season salary but must be the same for each of the 4 months.)
  - b. Employees would now be on the books as year-round salary and would potentially be eligible for benefits.
  - c. If the employee is eligible for benefits, other ditch companies the employee works for will also need to contribute to PERS (33.5% of the salary). When calculating payroll, one salary cannot be subject to PERS and the other salary be exempt.
  - d. Pros of this option:
    - i. Set amount each month.
  - e. Cons of this option:
    - i. Difficult to regulate a set schedule (hours per day).
    - ii. May need to offer benefits (retirement, insurance, PTO).
2. Can change to year-round hourly:
  - a. Employees will receive compensation on a per hour basis rather than a set monthly salary for both ditch riding and temporary staff work.
  - b. The District must set one hourly rate for temporary staff work (currently there are two- \$14/hr for general labor and \$25/hr for fabrication labor) and ditch riding. The ditch companies would need to work with the District to set one hourly rate for all work performed.

- c. Ditch riders will need to turn hours into HR before the end of each month.
  - d. Employees would be subject to overtime depending on policies (WRID policy is either over 40 hours in a Sunday-Saturday time period or over 8 hours per day)
  - e. Ditch rider/Temp Staff workers must work UNDER 1039 hours per fiscal year or will be subject to PERS and other benefits.
3. Can choose to eliminate the temporary worker status for employees who are also ditch riders and hire them as an Independent Contractor.
- a. The employee will stay a salaried ditch rider but will be an independent contractor for any work needed outside of ditch riding duties.
  - b. In accordance with the District's procurement policy, jobs such as de-mossing, welding, burning, etc. will be hired out.
  - c. Pros of this option:
    - i. Ditch companies do not have to alter their current compensation practices.
    - ii. There is no tax liability for the District.
    - iii. The District does not have to offer benefits.
    - iv. There is no threat of working over the 1039 PERS hour limit.
    - v. The District will have a documented cost and time estimate for projects.
    - vi. The independent contractor can set their own hourly rate.
  - d. Cons of this option:
    - i. Independent contractors will receive a 1099 tax form at the end of the year and will be responsible for paying their own taxes.
    - ii. Independent contractors will not be covered by the District's worker's compensation.
    - iii. Independent contractors are their own bosses; the District is not the employer.

This topic is completely open for discussion and the options above may not be the only solutions. I am more than willing to discuss the topic further and provide any information needed to fully understand the requirement.

Sincerely,

Jessica Halterman
