Monday
9:00 A.M.**

**NOTICE OF WORKSHOP AND FIELD INSPECTION
of the Board of Directors of Walker River Irrigation District
in their capacity as Directors of Local Improvement District No. 4 (Saroni Canal)**

The Board of Directors of the Walker River Irrigation District in their capacity as Directors of Local Improvement District No. 4 (Saroni Canal) will conduct a workshop on and field inspection of the Saroni Canal beginning at 9:00 A.M., starting in the parking lot of the Wellington, Nevada U.S. Post Office, 2818 State Route 208, Wellington, Nevada and ending in the parking lot of the Smith Valley Fire Protection District, Fire House, 1 Hardie Lane, Smith, Nevada 89430.

****NO ACTION WILL BE TAKEN AT THIS MEETING****

NOTICE

Agenda items may be taken out of order.

The Board may remove or delay discussion relating to an agenda item at any time.

The Board may combine two or more agenda items for consideration.

The meeting may be continued as deemed necessary.

The Walker River Irrigation District is pleased to make reasonable accommodations for members of the public who are disabled and wish to attend the meeting. If special arrangements for the meeting are necessary, please contact Bridget Banta at (775) 463-3523 at least 24 hours in advance of the meeting.

Requests for supporting material provided to members of the Board, if any, should be directed to Bridget Banta at (775) 463-3523. Such supporting material, if any, is available at the District Office, 410 N. Main Street, Yerington, Nevada.

OFFICIAL AGENDA

Action may be taken only on those items denoted **“For possible action.”** No action will be taken at this Workshop and Field Inspection.

1. Public Comment

Any member of the public may address and ask questions of the Board relating to any matter within the Board’s jurisdiction. Public comments need not be related to any item on the Agenda. Action will not be taken on any matter raised by the public until the matter is specifically included on an agenda as an item upon which action will be taken.

2. Roll Call

3. Workshop and Field Inspection Introduction - Bert Bryan

4. Field Inspection

The field inspection will begin at the head of the Saroni Canal, and end at the bottom of the Saroni Canal. There will be stops along the Canal at various locations, including locations for future laser leveling and/or measuring devices. The field inspection will proceed as follows:

- A. Begin field inspection at automatic headgates just downstream of the diversion works in Hoye Canyon;
 - B. Move from automatic headgates downstream to those portions of the Saroni Canal in Hoye Canyon which are concrete, or asphalt lined, and where flood overpasses are located;
 - C. Move from Hoye Canyon portion of the Saroni Canal to the Wellington Foothills portion, with stops at flood overpasses and areas of prior canal breaks;
 - D. Move from Wellington Foothills portion of the Saroni Canal across the Wellington Cut-Off through Canal Road to the existing Long Crested Weir;
 - E. Move from Long Crested Weir section across State Highway 338 to view previously laser leveled section of the Canal and the Desert Creek Flood Overpass; and
 - F. Move from Desert Creek Flood Overpass Area of the Saroni Canal downstream to Lateral A and Lateral B, where the Field Inspection will end and the Board will reassemble in the parking lot of the Smith Valley Fire Protection District Fire House, 1 Hardie Lane, Smith, Nevada 89430.
5. Reassemble in Smith Valley Fire Protection District Fire House Parking Lot, and Discuss Field Inspection Observations

6. **Public Comment**

Any member of the public may address and ask questions of the Board relating to any matter within the Board's jurisdiction. Public comments need not be related to any item on the Agenda. Action will not be taken on any matter raised by the public until the matter is specifically included on an agenda as an item upon which action will be taken.

7. **Adjournment**

**WALKER RIVER IRRIGATION DISTRICT
BOARD OF DIRECTORS' WORKSHOP ON, AND FIELD INSPECTION OF,
