

# Walker River Irrigation District

Established in 1919

Walker River Irrigation District recognizes the benefit of advertising on our fence. However, we do ask that the following guidelines be acknowledged and followed:

- Signs:
- ➞ Must advertise for a scheduled community event/awareness (posted on Main St fence) or business advertisement (posted on Goldfield Ave/Joe Parr fence).
  - ➞ Must be printed on canvas or vinyl. No hand-written or paper/cardboard signs are permitted.
  - ➞ Must be a minimum of 2' x 2' and maximum of 7' x 10'.
  - ➞ Must be free of vulgar or offensive language.
  - ➞ Must not reference political or religious views. No campaign material is permitted.
  - ➞ Do not post in the slat area of the fences. If a sign is posted in that area, you will be notified to move it, or it will be removed by WRID Staff and stored in accordance with the timeline below.

Community event/awareness signs are to be posted *no earlier than sixty (60) days before the event* and *must be removed from the fence within three (3) working days after the event*. If the sign is not removed, WRID staff will remove it and have it available for pickup in our office for thirty (30) days. The sign will be discarded thereafter. Business advertisement sign permission must be renewed *every six (6) months* by contacting WRID office staff.

WRID is not responsible for signs that are damaged or destroyed. **All corners of the sign must be secured at all times at the responsible party's cost.** If a sign becomes detached or damaged, WRID will call the responsible party to come tend to it. If the sign is not corrected within one (1) business day, WRID will remove the sign and will have it available for pickup in our office for thirty (30) days. The sign will be discarded thereafter.

**WRID RESERVES THE RIGHT TO REFUSE OR REMOVE ANY SIGNAGE AT ANY TIME.**
